

HOW WE HELP

Friends of Manna House has made lasting contributions to the running of Manna House over the years and continues to do so on a daily, monthly and annual basis. Just some of the things our members have funded include:

- ♦ Staff wages—FOMs have maintained and increased staff hours when other funds were not available
- ♦ Client cleaner—we pay the wages of a Manna House client who learns to work and gets a reference from us
- ♦ Insurance—a necessary and difficult expense to fund on an on-going basis
- ♦ Phones, printer, broadband—essentials for the running of Manna House
- ♦ Client trips—everyone deserves a day out
- ♦ Christmas—FOMs supports Manna House's Christmas programme to be family style & festive
- ♦ Emergency fund—whatever best serves Manna House's client group is a FOMs priority!

Friends of Manna House

Manna House requires many caring people to deliver its services. Our wonderful team of dedicated staff and volunteers do a fine job providing somewhere warm, comfortable and friendly to meet. Clients enjoy nutritious meals three days a week; weekly workshops encouraging literacy and numeracy skills, computing, arts and crafts, and gardening; and our Housing and Benefits Advice service provides efficient and effective guidance to people, many in debt and with nowhere else to turn.

All this comes at a cost. Manna House receives grant funding when it can, and many of our services are paid for in this way. However, there are always extra costs. And for clients like ours — those who are most vulnerable — there is often no funding available in the public or private sectors. For this reason we set up the League of Friends, Friends of Manna House (FOMs), over fifteen years ago now.

To become a Member you pay a nominal subscription of £10 (min) per year. We host several annual events promoting community and providing the opportunity to meet other Members. In addition to socialising and raising awareness of homelessness, we exchange fund raising ideas like our beautiful badges for sale for only £3 each.

We also have an interactive AGM. FOMs is a registered charity with its own bank account. Proper accounting is set up and Manna House trustees oversee this.

How can you support Manna House as a Friend of Manna House Member? Regular funding, opportunities to volunteer, letting people know about the importance of the work of Manna House, and sharing your skills, all help tremendously.

We anticipate that involvement with Friends of Manna House will be worthwhile, exciting and a lot of fun! Please do consider joining us.

Becoming a Friend of Manna House *Your Membership of £10 (min) per year Makes a Big Difference!*
